

The

GARNET *and* **SILVER**

OFFICIAL ORGAN OF GAMMA DELTA PSI FRATERNITY

60TH ANNIVERSARY ISSUE

Number 1

Brookline, Mass.

December, 1939

THE GARNET AND SILVER

"Published for the members of Gamma Delta Psi Fraternity, in accordance with the Resolution passed at the 1939 convention by Nu Chapter for the school year 1938 and 1939. Financed by subscriptions from the various active chapters at 25c per copy. Issued four times a year."

EDITOR'S GREETING

"I want to thank at this time all brothers who have aided in this publication. I also want to thank the following chapters for cooperating with me and the staff by getting their articles and chapter news in before the deadline: Zeta, Alpha Gamma, Alpha Eta, Alpha, and Iota. To the rest I want to ask you to try and cooperate in the future by getting in your material on time.

"This is your magazine as well as any other brother therefore if you have any suggestions as to your dislikes or likes they will be appreciated heartily. Send in any and all ideas to me as soon as possible; stories, jokes, poems, editorials from your alumni or about them, et cetera. There are hundreds of ways in which you may help make this magazine better, and each issue more successful than the last.

I hope that soon after this first issue goes out that I will be flooded with mail including new ideas from any and all of you."

G. D. S., Jr.

FROM THE NATIONAL PRESIDENT

November 1, 1939.

Dear Brethren:

It affords me much pleasure to be able again to greet you on behalf of the National Board. Your Convention vote of confidence in electing me as your Chairman for the ensuing year inspires me to greater achievement. I hope I may merit your continued support.

It is especially gratifying to again say a few words in the Garnet & Silver, the official organ of Gamma Delta Psi, and published by Nu Chapter.

I had not been fully cognizant of how run down the Fraternity was

until the June Convention. The actives cannot be censored for their actions when the moving spirit of our Association failed to function for many years. However from now on there will be no excuse for any infractions of our regulations, and I hope it will not be necessary to rule with an iron hand.

We have reached another milestone in the history of this Great Fraternity—the 60th Anniversary of our foundation. We should stop, reflect and take account of ourselves, recognize our mistakes and try and prevent their recurrence.

We should so plan our future that our symbol, the Crescent, should always stand for a growing unit of strength and light. The partially formed moon is open at the top to receive into its membership those men who aspire to greater knowledge and deeper and more everlasting brotherly love. Think this over, my Brothers!!!

This should be a year of rejoicing, and events to commemorate our venerable age should be planned and executed by every Chapter. I am informed that already Alpha, Alpha Eta and others have banquets and other functions in the making.

We, too, should be thankful that the Almighty has spared for us some of our Charter Members at Alpha Chapter. Those distinguished forefathers of Gamma must in their infinite wisdom have founded this structure on a firm, well constructed foundation, else we should have passed into oblivion long ago.

So now, on to the coming years. May we all fulfill our assignments promptly and with extreme accuracy so that when another decade has passed, we shall look back with satisfaction that the deed was well done.

Fraternally yours,

E. J. STEWART, NU 79,
National President.

NATIONAL SECRETARY'S LETTER

Dear Brothers:

Up to the present time I have not as yet heard from all the chapters.

Those that I have heard from, please let me hear from you more often.

If anything comes up in your meetings or other conversations that you can't seem to straighten out, write me and I am sure that I'll be able to at least help you out in any kind of a dispute.

That is the reason that the National Board is in office, to keep all the chapters in connection with each other, so make use of us, we like it.

Don't forget the National Committee has prize to be awarded at the next Convention — it's going to be worth while working for.

Keep your accurate reports of letters sent and received and dates of both as there will be a semi-annual check-up during January and a published report made to show the standings.

Everything is going to be in black and white so be sure that you have a good looking report that will stand you up at the top.

Let's hear from you, you don't have to be the chapter secretary to write.—If there is any active brother of alumnus that would like to know more about the fraternity WRITE and we will do our best to give him what information he desires.

Until my next report — "Good Correspondence is every Secretary's motto".

Fraternally,
W. E. S., Jr.,
National Secretary, Nu 216.

DO YOU KNOW . . .

That Brother Andrew Jackson is the oldest living alumnus of Gamma and was seventy-six years old on his last birthday. Also that his editorial appears in this issue. . . . That this is

Gamma's sixtieth anniversary, 1889-1939. . . . That Edsel Ford, president of The Ford Motor Company, is a Gamma Man. . . . Where we might be if our loyal Brother E. J. Stewart had not stepped in and taken control of the National Board, let alone his time, money, and unceasing effort. . . . That Frannie Lee, Sophomore at Harvard U., the very much talked about football player, was a Gamma Man two years back from Alpha. . . . That the President of Yale University Dr. Charles Seymour is a Gamma man. . . . That the president of the Aetna Life Insurance Co., one of the biggest insurance companies in the world, is a Gamma man. . . . That the postmaster of Niagara Falls is a Gamma Delt. . . .

November 6, 1939.

To All Brothers Under the Crescent:

May I extend my sincere appreciation for the honors you have bestowed upon me in electing me to the office of National Vice President.

It is my earnest desire to do everything I am capable of, to deserve this honor, and I pledge to fill the duties of my office in a thorough and efficient manner.

By means of closer cooperation between Chapters, and the National Board, we shall make this a bigger and better year for Gamma Delta Psi.

Let's make this year's slogan, "On to Washington", and live up to it.

This, I suppose, was to be an editorial, but to my mind, it is rather soon for me to be taking up space in our National Organ, for lengthy articles.

My main purpose, in this edition, is to impress upon all the Brothers of Gamma Delta Psi, my thanks for the trust you have placed in me, and for the cooperation, I know, you will give me in the future.

Fraternally yours,
BROTHER R. B. SLIKER,
National Vice President.

"Aim at a chorus girl, you may hit a star."

"Hell is paved with intentions — also asbestos."

"A miss is as good as her smile."

"A rolling stone gathers no morse (except roulette)."

EDITORIAL

By ARTHUR H. JACKSON

Having passed the 76th milestone in my life, the days of High School and Gamma Delta Psi seem very much in the remote past, especially as events seemed to have conspired to keep me out of touch with the Fraternity for many years. Even so, I often meet in various localities members of the different chapters, and it is pleasant. If we go by the ancient writing "By their fruits ye shall know them", we should be proud of the result and conclude that "Wisdom is justified of her children".

I know in the old days the association of kindred spirits was delightful and beneficial, and I would advise any young friend in the High School to endeavor to "make" the Fraternity and, when in, to work for its success.

I have noticed that the brothers who have done so, and especially those who were enthusiastic and took official responsibilities, were generally successful in after life. My experiences and observations along this line make me a firm believer in the Fraternity idea and I am convinced that there has always been opportunity for greater endeavor, to the benefit of the brothers themselves, the chapters, the Fraternity, and the high schools. I have often thought we could have done more as a Fraternity, for our schools, in some ways, and thus obtained from them a stronger support, which seems to have been lacking in some cases. I believe there is still a chance to make Gamma Delta Psi a greater power in high school life.

Fraternally,

ARTHUR H. JACKSON.

CHAPTER NEWS

ZETA CHAPTER

Washington, D. C.

"Zeta started her first meeting of the year on September 16, 1939, which fell on a Saturday before our school opened. Our meetings are held every other Saturday night, they are held at one of the active brothers' homes. The president has the first and the last meetings of the year. We adjourn for the summer vacation, which is about the 21st of June. We govt our candidates at least six weeks. At the present time we have only eight active brothers. We lost two very good basketball players in June, they made all high teams last year. They were Brothers Ray Brennen, who held the office of president for two terms., and Bob Hollarn. We also lost two all high baseball players, Brothers Wilbur and A. Lawyer. In the active crescent there are two brothers who play where most of us go to school, they are brothers John Rhodes football for Western High School, and Ed Iglesias. We are giving a raffle on ten dollars. We haven't given a dance this year yet but we are giving a weenie roast this month, just for the fraternity."

IOTA CHAPTER

Detroit, Michigan

"Iota Chapter was rather brief in their chapter news probably due to the fact that they don't know just what to include. Editor—"

"Iota Chapter has five men on the football team. D. U. S. Three on the basketball team, and four on the baseball team."

"We're still in the running for the athletic cup of THE BIG FOUR. THE BIG FOUR is a group of four fraternities in Detroit.

Our officers are:

President—Philip Penberthy

Vice Pres.—Howard Blood

Cor. Sec.—Philip Penberthy

Rec. Sec.—Charles McKean

Treasurer—Theodore Hodges

ALPHA CHAPTER

New Haven, Conn.

"At present we are not doing much. We have five candidates in the midst of initiation and they will be brought in, November 17, 1939. This will bring the active membership up to fourteen members".

"A 60th anniversary dance is now being planned by Alpha to be held in the latter part of January. It will be held at the New Haven Lawn Club."

"Alpha is very proud of Frannie Lee (Gamma '37 N. H. H. S.) who is starring in the Harvard backfield. He is the understudy for Captain Torbie MacDonald who is not seeing full time because of his injuries."

"We lost four members by graduation last June. Bro. Al Wright is at Worcester Academy where he is playing football. Albert Paulson is attending Loyola at Baltimore M. D., while Bro. Charlie Sullivan is at Wesleyan U. where he is a mainstay of the freshman cross-country squad. Bro. Dick Rice is at Hopkin's Prep. School in New Haven where he is starring at guard on the football team and is expected to be a welcome addition to both the basketball and baseball teams in the year."

ALPHA GAMMA CHAPTER

Glen Ridge, N. J.

"Alpha Gamma Chapter is raffling off two tickets to the Dartmouth vs. Stanford football game, which is to be played at the Polo Grounds, December 2, 1939. It is going over in a big way. The money is going toward our trip to the shore this summer".

"Last summer we went to Lavallet, which is a town on the Jersey shore, for a week. We are planning to do the same this year, but as it costs quite a bit of money we will probably have to hold two raffles; one in the fall and one in the spring. That is all the news from Alpha Gamma".

CHAPTER NEWS

NU CHAPTER
Brookline, Mass.

"Last year we kept our crescent up to around twelve brothers, losing four by graduation in June. We lost Bro. Bill McGrath, who is at present attending Boston College; also our delegate to the 1939 Convention at Detroit. Bro. Herb Ham is furthering his education at Huntington Prep. School in Boston. Bro. Bob Verner is working but still comes to our weekly meetings. Bro. Martin Gibbons is also at Huntington Prep."

"We have at present, ten active, having recently initiated two new men."

"We find the following Brothers in our active chapter:

Bro. Jim Shanahan, president, who has been president of his class for four years at B. H. S. He is on the school council, is head cheer leader, and stars on the high school track team. He has held the following offices in Gamma's Nu Chapter: cor. sec., vice pres., and now is president. Next is Bro. George Smith, better known as "Bud". He was former manager of the hockey team and is now a cheer leader. Bud has been rec. sec., cor. sec., and now is as you know, the Editor in chief of the GARNET & SILVER. Next we have the most outstanding man in B. H. S. He is Brother George Hibbard, our vice president and treasurer. George has also been president of Nu. His school activities are many; all honor student, president of his class four successive years, president of the school council, and many other numerous activities. He is a star athlete in football, hockey, track, and baseball. We are all proud to have Brother Hibbard one of us. Then we come to Bro. Ed. Nixon who is another fine athlete, Captain of the football team for two years, and this year holds the state record for field placement kicks. He is a member of the football, basketball, and baseball teams. Brother Bob Rowe, our present cor. sec. is also on the foot-

ball team and baseball. Bro. Hurley is a great man for our social committee. Bros. Fred Carreiro, rec. sec. is a great track man, Bro. Ray Blue is a member of the football and baseball teams. Our two new brothers are freshmen and both are members of the football team and we expect to hear a great deal from them in the future. They are Bros. George Keith and Jackie Cox."

"Last spring we ran a BATTLE OF MUSIC featuring TWO well-known bands at the beautiful Maugus Club in Wellesley Hills. It was a great success both financially and socially."

"This fall we ran a closed dance at the beautiful and exclusive Brandon Hotel in Brookline. Due to the success of this we are planning to have these closed dances monthly."

DAFFY DEFINITIONS

Submarine—a steel-plated herring.

Curve—a straight line gone Hollywood.

Age—something to brag about in your wine cellar and forget in your birthday book.

Alcohol—a liquid good for preserving anything but secrets.

Alphabet—(see Vermicelli soup).

Champagne—the stuff that makes the world go 'round.

Chump — anyone whose opinion differs radically from yours.

Chum—vice-verce.

Dead—without life (see Boston).

Deader—Pompilii.

Deadeast—Detroit (prior to Gamma Convention).

Dust—mud with the juice squeezed out.

Echo — the only thing that can cheat a woman out of the last word.

Gunpowder — substance used to make boundary lines between countries.

Hip—a popular place for a retail liquor business.

Dentist—the only man ever to tell a woman to open or shut her mouth and get away with it.

CHAPTER NEWS

ALPHA ETA CHAPTER

Alpha Eta began the summer by having six brothers attend the convention at Detroit which, is about 350 miles from Niagara Falls. Brothers Dick Perry, delegate; Walter Mimnaugh, alternate; Dick Jasper and Oscar O'Connell went out in Brother Jasper's car, while Brothers Harold Newson and Duane Jordon hitch-hiked. (Incidentally Alpha Eta had the largest representation at the convention outside the host chapter, Iota.) To top this, Alumnus Bro. Robert Slicker was elected National Vice-President.

During the summer Brother Newson played third base on a junior championship team of the city. Bro. Bill Buchanan played a drum in the Kilty Band of Niagara Falls.

To start the school year, Brothers Mimnaugh, Jordon and Elgin Olrogg were elected to the student council, while Brothers Olrogg, Buchanan and Newson are on the social committee. One Brother of Alpha Eta deserves special mention because of his position on the football team of the school, who is the first Delt to make the squad in several seasons. This Brother is Bill Waggoner, left end, who has played in every game this year, although he is only a Junior in school, and his first year on the team.

Inside the chapter, which includes eleven active Brothers, the following officers are carrying out their respective duties:

Bro. Mimnaugh	President
Bro. Fred LaDue	Vice-President
Bro. Olrogg	Recording Secretary
Bro. Jordon	Treasurer
Bro. Buchanan	Historian
Bro. Taylor	Corres. Sec.

G amma leads the way.
 A lways lend a helping hand.
 M ove toward more cooperation.
 M ake the spirit of brotherhood stronger.
 A rrive on time to meetings.
 D o your part for Gamma.
 E verlastingly remain fraternal.
 L et nothing but the best be good enough for Gamma.
 T ry not to miss meetings.
 A im high.
 P ay dues regularly.
 S trive for closer interchapter relations.
 I nvest your time in interchapter correspondence.

Alpha Eta began a successful football season by defeating their first opponents, the Alpha Theta Kappa Fraternity, by a 31-0 score. As yet this has been the only contest, but several games have been scheduled for the Thanksgiving holidays. The team is in excellent condition, with Brother Taylor doing a neat bit of quarterbacking.

Our annual fall dance is well under way and has been scheduled for Saturday, November 11th. As a theme, we are using Gamma Delta Psi's sixtieth Anniversary of foundation. Brother Jordon heads the business committee of Brothers LaDue and Buchanan, while Brother Newson has charge of the publicity committee of Brothers Olrogg and Langley.

Alpha Eta looks forward to a successful winter athletic season as Bro. Harold Sliker is manager of the swimming team on which Brother O'Connell swims the 100-yard free-style. Bro. James Moreland was a member of last year's team, but was forced to resign because of his job after school, but we hope he will be able to stay on the squad this year. When the season begins Brother Newson will probably have a position on the school's basketball team, as he has been on the team for one year already. Brothers Bob Maloney and Bill Waggoner will seek places on the same team and have very good chances to make it.

Alpha Eta wishes to extend a very happy birthday to all the chapters of Gamma Delta Psi and to the National Board as well on this, her Emerald Anniversary, and hopes that she may long prosper. Here's to you, dear Brother of Gasmma Delta Psi.

CHAPTER NEWS

ALPHA IOTA CHAPTER Syracuse, N. Y.

"Knock, knock, knock, the gavel sounded for the first time of the fall term of 1939 on September 19th. At the meeting elections took place. Richard Spiers was re-elected president for the third consecutive time; Galahad Fasaulious became vice-president; William Dooley is to act as our recorder; Robert Foley will handle the money; and John Terry is to keep in contact with other chapters."

"As for the activity, the first part of the semester has been thriving. At Alpha Iota's rush, nine rushees were present and out of this group, three were accepted. Many of the corresponding secretaries have asked, 'How is Alpha Iota's football team?', and as a reply let it be known that this year's team is the greatest ever. We are the fraternity champs of the city for 1939."

"Now we must step forward to the work of the future. On December 26th, Alpha Iota will stage a dance and this is an opportune time to invite all brothers to come to Syracuse during the Christmas holidays for our dance. Another plan, which is in progress already, is the drawing of two raffle tickets to the Syracuse vs. Colgate football game. One thousand tickets have been printed for this successful undertaking."

"And now before we bid you an 'Au Revoir', we invite you to visit our fair city. Let Alpha Iota be your host to a pleasant stay."

DELTA CHAPTER Grand Rapids, Michigan

"Delta started the school year of 1939-'40 with a well organized crescent of eleven brothers. Due to graduation and boys going away to school, we are a bit smaller than we expected."

"At the end of the last year we held our regular elections. The new officers are:

Bro. David Idema.....	Rec. Sec.
Bro. Paul Jones.....	President
Bro. Tilton McGorill.....	Treasurer
Bro. David McMahan.....	Cor. Sec.
Bro. Christopher Southwich	Historian"

"In the first week of October we had a closed hay-ride which was enjoyed by all brothers. On November 3, 1939, we held our first open dance of the year, which was a great social and financial success."

"As usual, the brothers are very prominent in school activities. Bro. Markoff is president of the student council and also president of the "HI-Y". Brother Jones is Editor-in-Chief of the Helias, which is our monthly magazine at Central High School. It was founded about 43 years ago by Delta Chapter of Gamma Delta Psi."

"We are also represented on the athletic teams. Brother Shark, Brother Currier, Brother McMahan and Brother McNaughton are all out for basketball."

We are now in the midst of planning our annual closed party and dance, and our alumni banquet."

FAMOUS ANONYMOUS PROVERBS

"It's a long lane that has no ash barrel."

"A stitch in time saves an embarrassing exposure."

"People who live in glass houses should dress in the dark."

"Don't put all your eggs in one basket, try an incubator."

"A word to the wise is useless."

"As ye sew, so shall she rip."

"Where there's a will there's a lawsuit (relatives?)."

INTRODUCING . . .

Meet Brother John C. Packard of the first Brothers of Nu Chapter and the first faculty advisor for any secondary school Greek letter fraternity in the United States. Mr. Packard has been at the head of the science department in Brookline High School since 1890 and then acted as submaster of the High School. Mr. Packard prepared for college at Wilbraham Academy and was graduated from Wesleyan University 1886, receiving the degree of Bachelor of Arts. He spent one year abroad in the study of European schools. He is the author of "Everyday Chemistry", a laboratory manual, and of sundry articles in various scientific magazines, besides being a lecturer of note on popular science. He designed the John C. Packard Laboratories located in the Brookline High School and named in his honor. Mr. Packard has now retired from his position at the High School and cannot attend our meetings but he still is extremely interested in Gamma. Just celebrated his eightieth birthday.

We are all very proud to be able to call Mr. Packard a Brother in the Nu Chapter, as he is a fine example and inspiration to us, and we know that Mr. Packard is proud to be one of us.

MR. BATES

Gamma Delta Psi-Nu

Meet Brother Harold N. Bates, our present Honorary Advisor.

Brother Bates graduated from Brookline High School and furthered his education by attending Dartmouth College. At Dartmouth he majored in sociology. In sports (majoring in track) he set five college records and captured four letters.

He has attended four different colleges, Dartmouth, Harvard Graduating School of Education, Columbia Teachers' College, and Stout Institute.

Brother Bates has taught in many noted private schools, among them being Utica Country Day School, on Lake Placid, New York. Here he coached hockey and held "The Lake Placid Private School Hockey Championship" for three years. He has

also played amateur hockey for eight years while teaching in New York State.

While teaching mathematics at the Brookline High School he has been selected to coach football in '33-'34, track in '35-'36, and has coached the hockey team for the last three seasons. He is also at the head of the marshal FORCE.

His outside interests include sports, Gamma, bridge, and enjoys building model boats.

We insincerely enjoy the advice and cheerful company of Brother Bates at our meetings and we wish that you could know and enjoy him as we do.

(We look forward with great interest to a feature article by Brother Bates in our next issue.)

TEAMWORK

The success of any outstanding football team if we analyze it we shall find, depends upon every man doing his assignment properly and exactly as the coach instructed him. How well we may apply this principle to the progress Gamma Delta Psi will make during the season. Your National Board instructs you what to do and when to do it yet how often you actives fail to fill your assignments. In a football game every play or series is carefully worked out in advance and precision timing and position mean everything. If the line does its work the backs can do theirs, so too your officers can only be efficient provided you chapters serve your fraternity exactly on schedule.

Nu Chapter have a very important assignment this year, I mean—"This Garnet & Silver".

Other issues to follow will be only as interesting as you make them. As a personal favor give Brother Bud Smith its very able Editor and his staff your whole-hearted support.

By the way, where are the rest of those chapter quarterly reports?

I won't embarrass the members this time but a second offense and exposure will follow.

We ask so little of you that it is discouraging when delays occur so frequently. Help keep the wheels moving.

PREXIE STEWART,

CORRESPONDING SECRETARIES

This page is presented for the use of the Corresponding Secretaries in the hope that they will continue to make the most of this valuable interchapter relationship.

A MERRY CHRISTMAS

Everybody

and HAPPY NEW YEAR

*The FLOODTIDE of
CHRISTMAS SPIRIT*

With most of the world at war—we in America should be grateful for our peace. Now is the time we can evidence our love and esteem through giving to our friends. Such gifts should mean more this year than ever before. Make your selections early from the **BALFOUR BLUE BOOK**.

*The BALFOUR
BLUE BOOK*

NEW 1940 EDITION—is more colorful, more complete, and more interesting than ever. Many new rings, locketts, compacts, and fine gifts. Prices will be maintained just as long as possible.

The coat of arms adds a distinction that only a fraternity man or woman can give.
