

"THE INTER-NATIONAL GRIP"

Volume I, # 7

June, 1961

DEAR BROTHERS:

Well this will be the last issue of the "Grip" for this year. I enjoyed publishing it and hope you have felt it worthwhile. I have devoted most of this issue to recapitulation and convention with emphasis on the latter-I hope I will see you all there especially "Alumnus."

EXPANSION:

This year we have added to date 2 new chapters' one in Hamilton and one in Agincourt. I am now waiting for word from Snyder, N. Y. to say that they have been inducted by Alpha Eta as Beta Kappa Chapter.

Our newest group in Prince George High School in Virginia has been writing like crazy and from all reports seem very good-I think it is wisest, at this time, that we hold back on deciding about them until convention when a vote on the floor will follow their and Beta Alpha's, their sponsoring, chapters report. There was some misunderstanding about petitions in their regard but the situation has been rectified completely now. This will bring the number of active chapters up to 15 at convention if the Prince George Crescent Club is accepted.

CORRESPONDANCE:

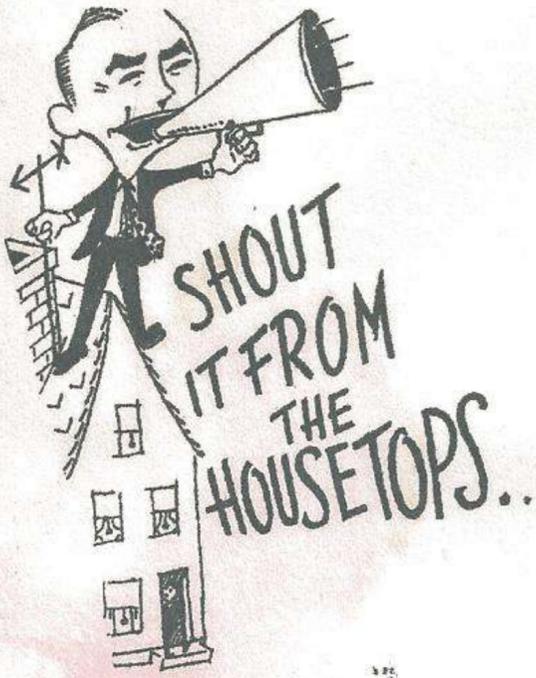

From me for the first time, I must say has been poor. My apologies but in a business your work does' not end at six o'clock or ever.....

ALUMNUS ACTIVITY:

I received copies' of pictures taken at the Banquet in New York and will try to get them out to Brother Smith in time for the next Garnet and Silver. Things in this vicinity have again been quiet due to the normal spring slump and also because you have to dig for news if you want it.

INTER-FRATERNITY CONGRESS:

The I.F.C. Convention will be held this year in October 20, 21, and 22 in Washington, D.C.-further information about the hotel will be given you after at our convention. All brothers are invited and urged to attend. There will be no charge except for the banquet if you should want to attend that. Here is a real opportunity to see your I.F.C. in action and renew friendships with our Zeta Chapter there also.

COMING EVENTS:

Gamma Delta Psi's International Convention - this year is being held in Niagara Falls, Ontario in the Park Hotel right beside the falls'. The dates will be the 2nd and 3rd of September with meetings all day Saturday, part day Sunday with registration in the lobby. Rooms will be reserved through this office at my address and should not be sent to the hotel. Arrangements have been made to sleep from 5 to 7 in a room depending on size and the cost has been kept to \$5.00 a night per person payable in advance at the registration desk. The banquet this year will be choice Sirloin Steak with all the trimmings

costing \$4.50 a plate. This means the cost of the convention not including casual meals and transportation will be \$14.50.

The Hotel has a swimming pool which is available for the guests use at no extra charge. It is located in the Heart of Niagara Falls one of the vacation places of the world, just 10 minutes walk from the brink if you care to drop over. Don't forget your camera there will be lots' to see and it is just a few miles from Buffalo which again offers numerous diversions a notable one being the "Palace."

Business meetings will be most interesting and should be attended by all. You are reminded to have your delegates prepare a report on your chapters functions for competition for our trophies.

So there it is-what you have been building up for all year-mail in the enclosed reservation form today and plan to be there when Niagara Falls under the Delts.

SUMMARY:

Thats all for '61' until the Labour Day Weekend-have a good summer-

Many thanks to "all thumbs" Ken Marskell who typed this for me.
