

Gamma Delta Psi Fraternity

Vol. V #2

Oct/Nov. 1964.

Dear Brothers:

Well, after a few letters have remarked, the last grip was only mailed a few weeks ago. The reason for the delay was to machine breakage and lack of current mailing addresses. Also through a typographical error we omitted the Board of Officers so they are as follows:

President	Dan Schiralli,
Vice-President Operations & Expansion North	Bob Guthri
Vice-President " " " South	Maurice Wilson
Secretary-Treasurer	Mark Courtemanche
Historian	Doug Jamison
Editor	Clyde Emerson
Deputy Administrator	Bill Kerr
Past President	Mac Stoodly

International Board

The board has been progressing very well. The five district deputies seem to be adapting to their new positions. The system of regional boards will be the same this year as in the past. We have had one regional board meeting which was very successful. All chapters are responsible for seeing that the district board meeting take place and you are represented there. These meetings do not take the place of I.B.C.. The correspondence should go on as usual.

The convention minutes are steadily being run off, ready for assembly in the very near future. The board has made a few chapter visits and are glad to see some of you forgotten faces.

Correspondence

Well I got a few letters to this office from my last Grip.. Some Alumnus have dropped me a line and it sure was enlightening. One letter was from a chartered member of Beta Beta and his idea was quite interesting and might be put to some use at a later date. Another letter from Alpha Phi, glad to hear from you and thanks for your information.

I also received a letter from E.J. Stewart who has moved to Litchfield, Conn.. It sure was a very encouraging month for letters.

Chapter Correspondence Note

It is the duty of each chapter president to render a written report to this office at least once during his term of office. The reports should include as specified in Article VI, section 4 of the Constitution. We have not received all of the quarterly reports. Correspondence is the life of our fraternity.

Expansion

There are many asked but few are chosen. At the present time we have two sound Crescent Clubs; one in Alderwood and one in Burnhamthorpe High School. We have contacts with other crescent clubs but we are in the stages of sending petitions of memberships for those clubs.

Inter-Fraternity Congress Convention

The Congress convention was held Oct. 23 thru to 25th at the Hotel New Yorker. Most member fraternities attended.

Election of Officers

President	Lynn Greer
Vice-President	Jerry Schaefer
Secretary	Ken Newman
Treasurer	George Pristach
Public Relations Director	Paul Wilson
Legislative Director	Paul Hoppe
Editor	Dick Barnes.

The awards given at the I.F.C. convention were as follows:

Civic Award - Sigma Phi Omega

Scholastic Trophy - Sigma Phi Omega

Publication Award - Theta Kappa Omega

Robert M. Weir Achievement Trophy - Paul Hoppe

Garnet & Silver

The Garnet & Silver representative that you should have elected by now in your chapters should have already sent in events. There should be a summary of events and a couple of pictures to Clyde Emerson your National Editor. Don't wait to be asked - be first and support the year the way you would want to yourself.

International Grip #3

Alumnus

As a result of the last edition of the Grip I received a few letters from you Alumnus which were very enlightening. One letter was from a charter member of Beta Beta, George Anster who spoke of the Grip and some food for thought.

Wedge Lilley dropped a line about himself and a new mailing address. Thanks Wedge.

Edward J. Stewart is now living in Litchfield Conn. on South Street. He invited myself and another board member on Dec. 13th weekend to gather up some of the Great History of our Fraternity. It will be an honour to meet the oldest living brother in the Fraternity. Any Alumnus may feel free to drop me any support that they care to leave. This paper is self supporting, part of our fraternity.

On Thursday Dec. 3 at the Seaway Hotel the alumni of Alpha Phi met in the lounge for dinner.

I also heard through the vine that Alpha Chi has started meeting through Alumni. Also in the South, chapter of Beta Alpha and Beta were thinking of starting a gathering together. I hope to hear more news on this from the members.

Rally

The Central Rally will be held in Lewiston New York at "Harding" on Jan. 24/65. More news on this in the next Grip. Keep this date open. Hope to see some new faces, brothers.

Convention

The convention will be held in Toronto with Beta Delta sponsoring. The hotel has not been set as yet. More on this in the next Grip.

The Awards Banquet

The Banquet will be supported and sponsored by the I.B.C. this year. We hope that the date which is set will be convenient to everyone. This is now in the making and nothing fixed as to date or place has been set. It will be around March or April.

International Grip #4

Christmas Functions

I'm afraid I haven't heard to much on this but we have a few brothers from the South visiting the north. Hope to hear from you brothers soon.

Hockey

The hockey agenda will be sent to all chapters in Canada. They have been arranged by Brother Al White and any questions regarding it should be sent to him. His address will be enclosed on his letter to you. Hope you all participate and have some real fraternity spirit this year.

Seasons Greetings

This is the last issue before Christmas; may I extend to every brother and his family a happy holiday season and may the new year be the fullest and prosperous ever.

Yours in Grand Crescent

Dan Schiralli,
National Resident.
