PRESIDENT'S MESSAGE

Greetings, y'all. Well, I do suspect that many of y'all have been wondering "just where the hell I've been" these past few weeks (erh, months!!!). Rest assured that, contrary to popular belief, I am alive and prospering albeit somewhat quiet.

Unfortunately, the International Board of Control has been a rather subdued corp of individuals, save for the recent activities of Brothers Bill Schmitt (Treasurer) and Ed Decker (Secretary). Both Bill and Ed have taken the initiative to publish this edition of the monthly newsletter with my only input being a commentary.

On other notes, for those souls absent from Convention '85 ..... yes, we still have plenty of unsold copies of the 1985 'GARNET & SILVER' remaining in my possession. The 'G & S' is now available for sale, and I heartily encourage all Brothers to purchase a copy as it serves as an excellent memorabilia item.

An obvious set back to the 'G & S' project was the I.B.C.'s inability to raise sufficient funds to repay our debt to the printers. In keeping with recent trends, the I.B.C. has negotiated a substantial loan of \$1700.00 from the Board of Trustees to aid in settling this particular financial obligation: Cover price for a single issue is only \$10:00 (CDN) or \$7:50 (US), and may be purchased by contacting me by way of phone or letter.

Also, at this time, I would like to take advantage of this opportunity to enlighten the Brotherhood of Gamma Delta Psi on a not-so-recent excursion down south to Virginia. A week or so following last convention, Brother Bill 'Crusty-Ray' Michelin and yours truly set sail for the Old Dominion state aboard the turbo 'Ghetto Cruiser'. Both the infallible 'Windsor Crust' and I returned some ten days later, fully refreshed with rejuvenated spirits and a fine restoration of our social prowess in Dixie.

Many, many thanks to the following Delts for making our 'Southern Bust' the most memorable ever: Grand Brother Kevin Stockdale (for his killer peach daiquiris); Bob Baker (for fixing the G:C's tranny); Neil Wamsley (for tuning up the 'G-Cruiser'); Larry Belcher (for being a young Republican and all around good guy); Barry & Carla Poe (for giving us Ryan Hunter and making me a God parent); J:B: Crist, Del Wall, and Beta Pi (for keeping us wet :::::); Danny Wyatt (for being Danny Wyatt); Kenny Martin (for everything and we mean it this time, Ray); and lastly, David B, Ameen along with the Lady Killer of Hopewell, Va.; Johnny 'Hell-Raiser' Smith (for encouraging me to lose my moral fibres, and be proud of it .....).

And lastly, my sincerest apologies are extended to Brothers Malcolm Dixon, Dave Dekker, Bill Schmitt, Ed Decker, and Grand Brother James L. S. Fermoile for my negligence in failing to answer their recent correspondence. After writing no fewer than 500 letters over the past two years, I still feel like an absolute hypocrite and utter schnook ..... again, I apologize and will start to upgrade my corresponding skills.

In closing, thanks to some encouragement, support, and consideration on behalf of the Trustees and fellow I:B:C: officers, I've been resurrected as an active Delt.

I shall return ..... smile:

Michael A. 'Tex' Kuch  
International President

WHY DIDN'T YOU BUY THE 1985 GARNET & SILVER?

The much anticipated and LONG awaited Garnet & Silver for 1985 is here! Did You Know This ?? Do You Care ?!?!?

It seems that even though its been ELEVEN YEARS since the Garnet & Silver has been published, very few Brothers are coming forward and purchasing this year's issue. Some very good Brothers put a lot of hours into producing Gamma Delta Psi's yearbook and its a shame that more Brothers don't care enough to pick up their copy as soon as it was available.

The Garnet & Silver is available from any local I.B.C. member for a piddly \$10 per copy (that's Canadian y'all!). And its full of pictures and reports.

You can also get your copy by mail by sending to none other than "The Boss", your President and mine, Micheal A. Kuch.

Fraternally,  
Steve Moore  
I.B.C. Editor

LETTERS TO THE GRIP

Oct 16/85

Dear Grip,

Imagine what mankind would be like if each generation was less intelligent, less educated, less moral, or less competent as people, than the last generation. Society as we know it would eventually disappear and we'd all go back to hunting with sharp sticks! It would be interesting to study, maybe amusing to watch from the sidelines, but heart breaking to be an active participant.

Any organization that chooses it's members is an experiment in selective breeding. Each membership drive or pledge period is a generation in the life of that organization. What do we want the next generation to be? What kind of pledges are we recruiting? I wish I had a BUCK for every time I heard, "He likes a good party!" or "He's not too bright, but he'll make a good Brother!"

Are we trying to recruit young men who have leadership potential, an interest in serving their community and school, or are we just taking in party animals or guys who always have a supply of good smoke?

What difference will this make to Gamma Delta Psi? A LOT !! I've seen a tremendous change in our Fraternity in the last 15 years; in attitudes of individuals, attendance at rallies and conventions, size of chapters and the number of chapters.

The only path towards improvement is better "selective breeding". Every Brother should, before he leaves the Fraternity, recruit at least one pledge who will be a better Brother than he has been. This is my challenge to you! Take on the committment! Do It!! Don't be content with Smith or Jones. Go find us a couple of Stockdales and a half dozen Kuchs.

It won't be hard to see how successful you are. Gamma Delta Psi will either return to past glory or evolve into nothing!

Yours in bond,

Bro. Mark Laminman

Gamma Xi (Former Trustee)

L E T T E R S T O T H E G R I PSecretary's Note

Oct 16/85

Since convention 85, when I was elected as Secretary of the I.B.C. I have been trying to create more correspondance throughout our Fraternity. My efforts seem fruitless so I am trying a different approach.

I have requested, from each Chapter, an active mailing list which should also include a list of any interested alumni. Combined with all those Brothers already known. I will then send a complete copy to EVERY BROTHER on the list. I hope this will create some correspondence between the active Brothers if they don't want to write me.

Yours in Bond,  
Ed Decker  
#103 Gamma Eta.

A Note From GAMMA ETA

Oct 16/85

The Brothers of Gamma Eta Chapter would first like to sincerely thank all those northern Brothers who attended our "SUPERB" Fall Semi-Formal on October 5th, here in St. Kitts. The list includes: "Howdy Doody", and two goons from Gamma Alpha. The one and only "Lizard Man", Joe Italia, uncountable amounts of Brothers from Beta Xi and the hicks even somehow heard about the BIG DANCE in the big town and managed to produce a good showing with Bill, Stan, Jim, and the boys making appearances from Gamma Xi.

The Dance put smiles on everyones faces, including all those good Brothers whom Gamma Eta owed money to.

We are presently active with FIVE pledges, Two of which are attending Denis Morris High School. A Catholic High School here in St. Catharines where Gamma Eta is working on establishing a Crescent Club.

Yours In Bond,  
Ron Kita  
#118 Gamma Eta, V.P.

LETTERS TO THE GRIP

November 5 1985

Dear Grip;

This evening, I had an interesting phone call. I talked to Brian Hollister a BT Bro. That has recently moved to Milan, Michigan. He tells me he received my letter of Oct. 15/85 and wants to start a Crescent Club. I explained to him how a Crescent Club operates, and to go ahead and have regular meetings. I intend to go down to sit in on one of their meetings in two weeks, hopefully with a couple other Northern Brothers.

Let's hope we can see more Brothers with the same initiative that Brian has shown. If this trend continues, this Fraternity could be into it's Fourth Expansion for the future...

Yours in Bond,

W. J. Schmitt  
Gamma XI

12/13/85

Dear Grip;

But, seriously, here's a couple of old, sad and used up jokes to consider for the newsletter: Q: What do you do if you find an epileptic in your bath tub? A: Throw your dirty laundry in. No more Rock Hudson jokes... another stinker of sorts: Q: How do you know if your rump roast is fresh? A: If you lift the freezer door and it farts.

Fraternally yours,

'TEX'

I do not choose to be a common man. It is my right to be uncommon - If I Can. I seek opportunity - not security. I do not wish to be kept citizen, humbled and dulled by having the state look after me. I want to take the calculated risk; to dream and to build, to fail and to succeed. I refuse to barter incentive for a dole. I prefer the challenges of life to the guaranteed existance, the thrill of fulfillment to the stale calm of utopia. I will not trade freedom for beneficence nor my dignity for a handout. It is my heritage to think and act for myself, enjoy the benefit of my creations and to face the world boldly and say, this I have done!!

ANSWERS TO QUIZ

1. Alpha Pi.
2. John Patterson - Iota Chapter.
3. V. Kenneth Marskell
4. The challenge: right hand rubbing the left earlobe.  
The response: adjusting of the tie or collar with the right hand.
5. Gamma Rho.

A NOTE TO THE I.B.C.

Gamma Eta Chapter are requesting a LONG awaited ordering form for Gamma Delta Psi Fraternity Pins. One Brother from our Chapter has writen Brother Neil Wamsley of Beta Pi with no response. Many Brothers, other than our Chapter, probably would cherish the Official Pin of our Great Fraternity, along with their Chapter guard in the hollow of their left shoulder. I know I would. So I'm asking the I.B.C. on behalf of the Brothers from Gamma Eta, to work on getting pins in the near future, it would be greatly appreciated.

Yours in Bond,

"Ron Kita

#118 Gamma Eta V.P.

EDITORS NOTE.

First off, Thanks must go to Bill Schmitt for staying up late in putting together most of what you see here, especially the letter from Brother Laminman, a former Trustee.

Secondly, if you happen to notice any spelling mistakes or typos, you can blame them on Ron Kita of Gamma Eta, or you can just thank him for typing out this whole issue of the Grip. Thanks again Brother Ron!

You may have noticed the lack of Chapter Reports or material from the Chapters. This is mostly my fault because I didn't exactly spend a lot of time collecting material for this issue. (Approx. 2 days)

So in future, it would be greatly appreciated if the Chapters and the Brothers themselves could contribute their thoughts on Gamma in the 80's or some interesting history notes they would like to share with the Crescent. All information should be forwarded to President Kuch and it will appear in the next issue of the mighty Grip.

Lastly Thanx Mike, I rather enjoyed this!!!

Fraternally,

Ed Decker

#103 Gamma Eta.
