

GAMMA DELTA PSI FRATERNITY INTERNATIONAL

BOARD OF CONTROL

FOUNDED APRIL 13, 1879

June 16, 1994

Greetings Brother !!!!!!!!!!!

The following is the Convention '94 preparation kit. A little late, but most of y'all have been informed via The Grip about the dates and should prepare by doing the following :

Chapter Delegates : should bring with them a Chapter report for the year and the Chapter Historian's book. They should also be prepared to attend all meetings of the Convention to represent and vote on behalf of their Chapter.

Active Brothers : should come prepared to contribute to the discussion and have a real good time. The more the merrier. Convention is a time to gather and discuss your Fraternity with Brothers from other Chapters and alumni as well.

Alumni Brothers : should come to have a real good time (and contribute as they wish). The presence of older Brothers is very encouraging to the newer Brothers and creates that cohesiveness that is our Brotherhood.

If this package has left you with questions to be answered, do not hesitate to call us at (905) 984-6087. Myself or the NVP Chris Burnip will be around, as will the answering machine.

Your Fraternity needs you. Come out, if even for a few hours, and help us bring back the glory days. Besides, the beer is always cold at Convention. Till then I remain...

Yours in the Bonds of Brotherly Love,

Edward James Decker
